

AN IMPORTANT MESSAGE FROM YOUR UNION

# On Election Day, Vote for jobs.

We need good jobs in New York State, and on Tuesday, November 5th, your vote can help make them a reality. Proposition 1 will create jobs, and support economic activity and revenue that will benefit every New Yorker.

## Proposition 1

Destination resort casinos will create good, long-term jobs and keep billions of dollars right here in our state, rather than in neighboring states that already have casinos. The money generated will help New York Schools provide a quality education to our children.

- ✓ \$430 million estimated new school aid, property tax relief, and local government aid<sup>1</sup>
- ✓ \$1.6 billion in Construction Spending<sup>2</sup>
- ✓ 17,100 Construction Jobs<sup>3</sup> - 7,600 Permanent Jobs<sup>2</sup>

How you vote is a personal decision. Your union believes that a yes vote on Proposition 1 - Authorizing Casino Gaming, will bring economic development and jobs to New York's working families. For more information, visit [www.nysaflcio.org](http://www.nysaflcio.org).
